

Spreadsheet Virtual Assistant

EFREN C. MANGURALI

Batangas, Philippines | 09691557960 | efren.mangurali.work@gmail.com

PROFILE SUMMARY

I am an aspiring **Spreadsheet Virtual Assistant** and a BSIT student specializing in Business Analytics at Batangas State University. I have developed practical skills in Microsoft Excel and Google Sheets through self-learning and personal projects involving dashboards, inventory tracking, and customer sales reporting. I am detail-oriented, organized, and committed to providing accurate and reliable support for business operations while continuously improving my analytical and reporting skills.

PROJECTS

SPREADSHEET PROJECTS

Personal Projects – 2026

- Built Excel and Google Sheets dashboards to analyze sales performance and visualize business data.
- Created inventory tracking systems with stock monitoring and data organization features.
- Performed data cleaning, reporting, and analysis using Pivot Tables, charts, XLOOKUP, and conditional formatting.
